FACEPLATE ASSEMBLY PRIOR TO INSTALLING RADIO OR EQUIPMENT. WE SUGGEST CHECKING THAT THIS ASSEMBLY WILL FIT INTO THE TOUGH-BOX CONSOLE PRIOR TO ATTACHING THE RADIO OR EQUIPMENT JUST TO MAKE CERTAIN THE SIDE BRACKETS ARE CUT PROPERLY.

IMPORTANT NOTE: THE FACEPLATE HAS A TONGUE AND GROOVE DESIGN AND THEY MUST BE ORIENTATED PROPERLY WITH THE RADIO. THE GROOVE MUST BE UP, THE EASIEST WAY TO IDENTIFY THE UP ORIENTATION OF THE FACEPLATE IS TO LOOK AT THE "RAM" LOGO ON THE FRONT OF THE FACEPLATE. THIS LETTERING IS TO BE UP WHEN ORIENTATING THE RADIO OR EQUIPMENT OR IT WON'T PROPERLY FIT INTO THE TOUGH-BOX
